

PHOTO PERMISSION & LICENSE AGREEMENT

This document is a binding agreement made on (_____), 2022, between the student artist listed below (“**you**”), and **CaST PUBLIC ARTS INC.**, a company incorporated in the Province of New Brunswick (“**CaST**”), and its subsidiaries.

CaST is working on a project called “Saffron Path,” which includes a K-12 student art, poetry and music production, with virtual, augmented and geographic projection mapping of the same, for the benefit of school, community and city. TDSB and TCDSB schools in Toronto have been informed by their head office Arts Coordinators of their ability to voluntarily join the project by having their students design and create physical and digital art, poetry and music. Once art is completed and submitted as a digital image or song, CaST will blend it with poems or songs created by students, and project this combination onto the sides of school buildings and other public and private buildings in Toronto. CaST intends to complete this project by 31 May 2022. Submissions of art should be completed by 30 April 2022.

CaST would like to feature your art in this project. To do so, CaST needs your written permission to:

1. Take photographs of you, and use those photographs on CaST’s social media, website, and other promotional platforms to publicize Saffron Path and the art you are permitting us to use.
2. Use the art you provide to us by photographing and projecting it as part of Saffron Path, as well as posting copies on CaST’s social media, website, and other digital and physical promotional platforms.
3. Provide copies of the photographs and art to media outlets to publicize Saffron Path.

By signing below, along with your parent or legal guardian, you are giving us permission, called a “license”, to use the photographs we take of you and your art, and your poems or music within Saffron Path in the ways we’ve listed. We do not owe you any license or other fee, and you keep all moral rights in your artwork. Signing this form does not require CaST to use your photo or art as part of Saffron Path.
